

components of water infrastructure that are exempted from the requirements to reduce lead. H.R. 3588 is a simple, bipartisan bill that provides a straightforward correction to the law. It will save our communities money and time, two very important commodities.

In addition, the bill contains a provision requiring the EPA Administrator to consult with the Drinking Water Advisory Council on options for reducing lead in our drinking water in a cost-effective manner. Hopefully, this dialogue will provide more cost-effective options for achieving a worthy goal: cleaner, safer drinking water.

Again, I want to commend our colleague, Representative JOHNSON, for his work on this legislation and thank him for working together with me to ensure that communities can concentrate on efforts that will bring true public health improvements to our citizens and avoid unnecessary expenses that achieve no real benefits.

With that, Mr. Speaker, I reserve the balance of my time.

Mr. JOHNSON of Ohio. Mr. Speaker, I have no further Members who wish to speak on this issue. If my good friend is prepared to summarize, I am prepared to close.

I reserve the balance of my time.

Mr. TONKO. Mr. Speaker, I have no other speakers here on our side.

Again, I want to thank the gentleman from Ohio; I want to thank Chairman UPTON of the Energy and Commerce Committee and Ranking Member WAXMAN of the same committee for expediting this very important bill. Again, I urge all of our colleagues to support this worthy legislation.

Mr. Speaker, I yield back the balance of my time.

Mr. JOHNSON of Ohio. Mr. Speaker, I too want to say thanks to my good friend and colleague, Mr. TONKO, for his support of this legislation. It may seem trivial to some; but trust me, it is not trivial to the many communities who are sitting on stockpiles, literally millions of dollars worth of current hydrant technology that would have to be replaced as a result, and that money just going down the tubes. I, too, urge a "yes" vote on H.R. 3588.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Ohio (Mr. JOHNSON) that the House suspend the rules and pass the bill, H.R. 3588.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. JOHNSON of Ohio. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 5 o'clock and 38 minutes p.m.), the House stood in recess.

□ 1830

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. COLLINS of New York) at 6 o'clock and 30 minutes p.m.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, proceedings will resume on questions previously postponed.

Votes will be taken in the following order:

Suspending the rules and passing:

H.R. 3547, by the yeas and nays;

H.R. 3588, by the yeas and nays; and Agreeing to the Speaker's approval of the Journal, de novo.

The first electronic vote will be conducted as a 15-minute vote. Remaining electronic votes will be conducted as 5-minute votes.

SPACE LAUNCH LIABILITY INDEMNIFICATION EXTENSION ACT

The SPEAKER pro tempore. The unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 3547) to extend the application of certain space launch liability provisions through 2014, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas (Mr. SMITH) that the House suspend the rules and pass the bill.

The vote was taken by electronic device, and there were—yeas 376, nays 5, not voting 50, as follows:

[Roll No. 612]
